

PRIEST RIVER ELEMENTARY NEWS

DECEMBER 2016

With the holiday season upon us make sure you keep the monthly calendar handy. The calendar is on the back of this newsletter. We have multiple parent activities this month with our choir and band students.

We had our first quarter awards assembly and were able to award over 40 students awards. We awarded students for attendance, academic performance, and improving in school.

The staff at PRE is working on aligning the math and reading curriculum to make sure students are getting their needs met and they are getting ready for the next grade level.

December events

The events for the month are displayed on the back of this newsletter.

We finished up our parent/teacher conferences at the end of November. It was great to see so many parents coming into the school and working with the teachers to educate our students. This teamwork is needed for our student's success.

Parking Lot Safety

We are closing off the west end parking lot to parents. This is to provide a safe place for our students to walk through .

We ask that parents make arrangements to meet students on the street out in front of the school. We will be blocking off the entrance to remind parents of the change.

Thank you for keeping our kids safe

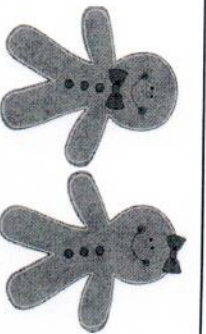

Thank you to all those that participated in our turkey bingo family night. We had over 220 community members take part in playing bingo and winning some turkey dinner fixings. We will be hosting many more parent activity nights so look for these in the monthly calendar.
